Honororable Abraham J. Multer
House of Representatives  
Washington, D. C.

Dear Abe:

Thank you very much indeed for sending me a copy of your letter of October 24th to the Chairman of the Federal Reserve Board. I have read it with much interest.

I of course have not followed the situation as carefully as you, but certainly it would appear that inequalities do exist between Central Reserve cities and the Reserve cities. I shall be very much interested in learning William Mcc. Martin's reply to your communication.

With kind personal regards, I am yours very sincerely,
