The Honorable
Herbert H. Lehman
United States Senate
Washington, D.C.

My dear Senator Lehman:

In my personal and official capacity and on behalf of the people of Puerto Rico, I wish to express my heartfelt appreciation for all you did to secure favorable action on the bill recognizing to the people of Puerto Rico the right to draft and pass their own Constitution.

Your deep interest in the welfare of Puerto Ricans, both as regards their material progress and the widening of their political rights, has been manifest at all times. We must express to you our gratitude, not only for your able support of the Constitution bill but also for your constant support in helping us to obtain social and economic legislation to aid us in our struggle for better living conditions for the great masses of our people, both in the Island and in the States. Your Puerto Rican fellow-citizens have good reason to feel happy that you are in a position to extend a strong helping hand to them.

With kindest regards and best wishes, I am

Sincerely yours,

Luis Muñoz Marín
Governor
