Senator Herbert Lehman
Washington, D.C.

Dear Sir:

Nebraskans of both political parties are joining to honor the late George W. Norris at the first anniversary Norris Memorial Dinner in Omaha on May 23.

We would appreciate it very much if you would send us a message that could be read at the dinner. The message will become part of the permanent records of the dinner which will be presented to Mrs. Norris.

Sincerely yours,

Robert A. Gillan, Chairman
Norris Memorial Committee
