Hon. Herbert H. Lehman
The Executive Mansion
Albany, N. Y.

Dear Governor Lehman:

Thank you so much for your friendly letter of April 15th telling me of the appointment of Miss Vincent as a member of the Board of Visitors of the Wassaic State School. I am sure she will be of great service and I am glad to have her honored in this way because she has been of such help to me in Dutchess County.

I found your letter waiting for me when I returned from a five weeks visit to Caracas where my youngest son is at work in the Consul's office. Coming back I stopped for a few days in Puerto Rico and found everyone there so happy under the governorship of Mr. Winship and also loud in praise of the way that Mrs. Whitemore is carrying on her work as Collector of Customs.

Puerto Rico is a most lovely island and I wish Americans knew more about its attractions. Mrs. Whitemore tells me that she gets letters from Congressmen and Senators addressed to Puerto Rico, the Philippines, Puerto Rico, Hawaii; Panama; and even Santo Domingo. I suppose in the days when most of these gentle- men went to school Puerto Rico was a Spanish possession and they have never revised their knowledge of geography.

With warm personal regards and greetings to Mrs. Lehman, I am

Cordially yours,

(Mrs. Daniel O'Day)
