Honorable Herbert H. Lehman
United States Senate
Washington, D. C.

Dear Senator Lehman:

At the Committee meeting on May 26, it was understood that the votes upon the Alaska and Hawaii Statehood bills would be taken during the week of June 12 – dependent upon the availability of the printed hearings.

Transmitted is a copy of the Alaska hearings.

It is expected that the Hawaii hearings will be available early next week.

With kindest regards,

Sincerely yours,

Joseph C. O'Mahoney
