Dear Colonel Lehman:

I just learned of your arrival in Cairo. Could you spare a couple of days to come to Palestine? It would be a great privilege for Mr. Viteles and myself to show Palestine to one of the founders of the Palestine Economic Corporation and the Central Bank of Cooperative Institutions. If you should so desire, arrangements can be made so as to protect your incognito in every respect.

With kindest regards,

Sincerely,

JULIUS SIMON

Hon. Herbert H. Lehman.
