Honorable, The Secretary of War
War Department
Washington, D. C.

Dear Bob:

Some days ago a woman communicated with my wife and made certain allegations with regard to the treatment received by prisoners in the Greenhaven Disciplinary Barracks.

The woman was quite unknown to my wife and refused to give her right name. She, however, made the impression of sincerity and my wife asked her to prepare a memorandum. The enclosed memorandum sets forth the allegations made by her.

'I, of course, know absolutely nothing of the facts but I am bringing the attached letter to your attention, confident that if there is anything wrong, you will look into it.

With kind personal regards, I am,

Yours very sincerely,
