June 25, 1954

Honorable Herbert H. Lehman
United States Senate
Washington, D. C.

Dear Senator:

I would certainly appreciate your being good enough to let me have your autographed photograph for my office. If, by chance, you do not now have one suitable for framing, I hope you will have your office send me one later on.

Thanks and best wishes.

Sincerely yours,

Frederick G. Payne, U. S. S.
