EXECUTIVE DEPARTMENT

My dear Herbert:

Our Women's Division is desirous of presenting an "Architects' Tea Set" to Mrs. Roosevelt. They will write her very shortly requesting her to graciously accept the gift and to arrange for a presentation.

As I do not think that any members of the Women's Division are personally acquainted with her and as she is, of course, the recipient of countless requests and invitations, I thought that possibly you would allow me to take advantage of your kindness and ask you to say a word on our behalf. I know that a line from you informing her that our cause is a worthy one and merits a sympathetic consideration on her part will be of the greatest help.

The continued need in the profession is my only excuse for troubling you. I know you will pardon me.

Very cordially,

Julian Clarence Levi
