Governor Herbert H. Lehman  
Executive Mansion  
Albany, New York

Dear Herbert:

The Board wishes to express its appreciation for your very touching tribute to Miss Wald. We missed you and the personal note you would have brought to the program.

I was quite unequal to having any opinion about it, but from the letters which I have received I think it was thought a dignified and impressive service.

With greetings,

Sincerely,

*Patricia Halloch Morganthau*
