Class________________________ Phone______________________ E-Mail____________________

The Major consists of five required parts as listed below.

1. Two Years of a language regularly taught in the department.
   1. ___________________________________________ taken in __________________________________
   2. ___________________________________________ taken in __________________________________
   3. ___________________________________________ taken in __________________________________
   4. ___________________________________________ taken in __________________________________

   Students who enter with language proficiency at the 2nd year level (approved by MESAAS language faculty) must complete one additional year of language study and substitute one additional MESAAS course. Those who enter with proficiency at the 3rd year level must substitute 3 additional MESAAS courses. These should be advanced language courses (3rd year level and above) for languages where these are offered. When only two years of a language are offered, students with advanced proficiency must substitute 3 additional non-language courses. One year of the MESAAS heritage speakers’ classes fulfils the language requirement.

2. A one-term introductory culture course approved by the D.U.S.
   ___________________________________________ taken in __________________________________

3. Required: AHUM UN1399 [Major Texts] or AFCV UN1020 [African Civ] taken in __________________________________

4. Required: MDES UN3000 [Theory and Culture] NB only offered in the fall taken in __________________________________

5. An additional five courses selected with the approval of the DUS Normally two of those courses may be in non-MESAAS courses. Students who wish to count more than two courses of outside credits toward the major must petition DUS.
   1. ___________________________________________ taken with__________________________ taken in____________
   2. ___________________________________________ taken with__________________________ taken in _________________
   3. ___________________________________________ taken with__________________________ taken in _________________
   4. ___________________________________________ taken with__________________________ taken in _________________
   5. ___________________________________________ taken with__________________________ taken in _________________

   •Concentrators must meet all requirements except the language requirement.
   •Grades of B- or better are required for all major courses.
   •For information about the senior thesis writing seminar and departmental honors, consult the DUS.
