SECURITY ALERT

BURGLARY

Three burglaries have occurred on campus since the evening of January 1, 2011. In each case, the suspect attains access into the building, by scaling a wall to an upper floor, and entering through an unlocked window. I have included a photo of the suspect for your information. If you observe him on campus, call Public Safety immediately, at 212-854-5555.

Please remember to close and lock your windows at the end of the business day. If you arrive at work in the morning, and notice your workspace has been tampered with, or the office seems to be in disarray, call Public Safety immediately. Please refrain from touching any items that may have been moved around until an investigation is completed.
