

Once a newly accepted student has paid the pre-registration fee, a University Network ID (UNI) will be assigned to the student. This takes several days to a week to process.

To activate your UNI, visit <http://uni.columbia.edu> and select "Activate a New UNI Account." Then follow the on-screen instructions.

Once this is completed, you as a new student will have access to your personal Columbia email account and an array of resources including but not limited to CourseWorks (course content management system), e-reserves (on-line library resources), Student Services On-line (SSOL), CUSSW computer lab, CU Libraries Workshops, 2,500 page social work printing quota per term and 20 page CUIT weekly printing quota, and much more.

Instructional Resources

CourseWorks: course content management system with links to e-reserves:

<http://courseworks.columbia.edu/>

CU e-mail: access & use your Columbia email account

<https://cubmail.cc.columbia.edu/>

CU e-mail problems: 854-1919
