anc2002@columbia.edu

PROFESSIONAL & RESEARCH INTERESTS

Prevention and intervention behavioral research for co-occurring substance abuse, HIV/STI risk, and mental health disorders
Gender-specific substance abuse treatment
Dissemination and implementation research
Evidence-based practice in social work education

EDUCATION

Columbia University School of Social Work, New York, NY

Doctor of Philosophy (2009)

Degree Awarded with Distinction

Concentration: Advanced Practice

Dissertation Title: Relationship Power and Sexual Risk among Women in Community-based Substance Abuse Treatment

Dissertation Sponsor: Nabila El-Bassel, DSW

Dissertation Chair: Allen Zweben, DSW

Columbia University Graduate School of Arts and Sciences, New York, NY

Master of Philosophy (2009)

Columbia University School of Social Work, New York, NY

Master of Science of Social Work (2003)

Concentration: Research on Contemporary Social Problems

University of Washington, Seattle, WA

Bachelor of Arts (1995)

Degree Awarded with Distinction

Major: Sociology

Sociology Department Honors Program Nomination (1994)

RESEARCH & PRACTICE EXPERIENCE

Research Scientist (2009-present)

New York State Psychiatric Institute, Substance Abuse Division, New York, NY

Co-investigator/Project Director of a NIDA Clinical Trials Network funded multi-site trial of a web-based psychosocial intervention for adults in community-based substance abuse treatment.

Program Coordinator (2007-2009)

Columbia University School of Social Work, New York, NY

Oversaw implementation of a NIMH funded R25 minority training grant (PI: El-Bassel) for new racial/ethnic minority investigators involved in HIV prevention research, including the development of evaluation measures, training curricula, and web-based communication tools.

Senior Research Associate (2003-2009)

Columbia University School of Social Work, Social Intervention Group, New York, NY

National Project Director of two NIDA CTN-funded multi-site randomized control trials (PIs: Nunes, Hien, and Tross) for women in community-based substance abuse treatment. Oversaw implementation of all clinical and research activities, including intervention training and supervision and quality assurance of assessment. Collaborated on data analysis and manuscript development.

Associate Social Worker (2002)

JBFCs, Bronx REAL Continuing Day Treatment Program, Bronx, NY

Provided psychotherapy treatment to adults with serious and persistent mental illness, facilitated interpersonal skills and vocational training groups.

Research Assistant (2000-2001)

Fordham University Graduate School of Social Service, Children FIRST/ Interdisciplinary Center for Family & Child Advocacy, New York, NY

Worked in a multi-disciplinary setting on diverse intervention and policy projects related to child abuse and protection.

Research Clinician (1999-2000)

University of Washington School of Social Work, Innovative Programs Research Group, Teen Marijuana Check-Up, Seattle, WA

Delivered a brief intervention using motivational interviewing to adolescents concerned about marijuana use.

Research Coordinator (1998-2000)

University of Washington School of Social Work, Innovative Programs Research Group, Marijuana Check-Up, Seattle, WA

Recruitment, Retention, and Assessment Coordinator (1997-1999)
University of Washington School of Social Work, Innovative Programs Research Group,
Marijuana Treatment Project, Seattle, WA

Project Coordinator (1995-1996)
University of Washington School of Social Work, Innovative Programs Research Group,
Marijuana Check-Up Pilot, Seattle, WA

TEACHING EXPERIENCE

Columbia University School of Social Work

Field Instructor / Adjunct Lecturer (2005-2009)

Provided direct supervision to second year Master's students during advanced general practice and programming field placements at the Social Intervention Group.

Adjunct Professor / Preceptor (2008)

Clinical Case Evaluation, Fall 2008

Advanced clinical research course for second year master's students detailing the process and tools necessary to conduct the most effective social work interventions and services and document effectiveness to promote the advancement of social work practice.

Guest Lecturer (2008)

Chemical Dependency, Spring 2008

Teaching Assistant (2004-2006)

Human Behavior in the Social Environment Fall 2005/Spring 2006

(Instructor: Elwin Wu, PhD)

Human Behavior in the Social Environment Fall 2004/Spring 2005

(Instructor: Aron Shlonsky, PhD)
