I. QUESTIONNAIRE

INTRODUCTION AND SCREENING

INTROB Hello, my name is _____ and I'm calling for Columbia University. We're conducting a study of how New Yorker's are doing in 2004 and we would like to include your household's opinions. It's a study that is conducted every couple of years. The information that you provide us will help legislators and lawmakers better understand the needs of the residents of the city. Your number was selected at random and everything you tell us will be strictly confidential. You don't have to answer any question you don't want to.

The interview is voluntary and you may withdraw at any time without any penalty. My supervisor may monitor parts of this interview for quality control purposes.

The interview will last about 30 minutes depending on how much you have to say.

(INTERVIEWER NOTE: IF THE RESPONDENT NEEDS FURTHER INFORMATION, OR NEEDS TO AUTHENTICATE THE SURVEY, PROVIDE THE NAME OF SUSAN KENNEY AT SOCIAL INDICATORS SURVEY CENTER, COLUMBIA UNIVERSITY 212- 854-5217). The results of this study completed in previous years and results of the current study when made available can be reviewed on line at the Social Indicators Survey Center at www.siscenter.org)
