

# Gender and the Workplace: Career Education for **W**omen

## **GENDER IN THE WORKPLACE: HOW BEING A WOMAN CAN IMPACT YOUR CAREER EXPERIENCE**

January 30, 5-7pm

*Carleton Lounge, Mudd Building*

Does being a woman impact your career choice and experience? Come learn from and network with women alumni experienced professionals from a variety of industries about their choices and experiences, both the challenges and the successes.

## **SWEET SUCCESS: CONNECTING EMPLOYERS AND ALUMNI WITH COLUMBIA WOMEN**

February 12, 6-8pm

*Dylan's Candy Bar*

Seeking an internship or full-time job, or exploring a career transition? Take advantage of this panel and networking event with representatives from 25+ employers, who will discuss their organizations and opportunities for women.

## **BEYOND NETWORKING 101**

February 20, 6-8pm

*301 Philosophy*

Networking involves more than collecting business cards. Learn effective tips to maximize formal and informal networking opportunities. Attendees also will have the chance to practice newly acquired networking skills with fellow students and alumni.

## **WOMEN IN THE SCIENCES**

March 5, 6-8pm

*301 Philosophy*

Women are significantly underrepresented in the science industry. Join this panel of women who have successfully navigated careers in science for their advice and expertise on careers in science.

## **LEADERSHIP IN THE WORKPLACE**

April 1, 6-8pm

*Carleton Lounge, Mudd Building*

How is "leadership" defined? How can women maximize leadership opportunities at work? Join alumni and experienced professionals to learn about their leadership experiences and recommendations for women seeking leadership roles.

## **WOMEN IN HIGHER EDUCATION**

April 9, 6-8pm

*301 Philosophy*

Interested in a career in higher education as an academic or university administrator? A wide variety of women in higher education will share their successes and challenges, advice, and expectations for the future role of women in education.
