Columbia is committed to fostering a campus that is increasingly accessible to people with disabilities. Each year Columbia removes physical barriers and makes significant accessibility improvements. This map is intended to serve as a guide to the accessibility of the campus. Please understand that this map is subject to change based on structural developments and improvements throughout the campus.

**Visitor Accommodations**

Visitors, guests, and members of the public who require disability access or accommodations for a Columbia event should contact Disability Services at 212-854-2388 or disability@columbia.edu at least 10 days in advance of the event to arrange for access or accommodations.

**Shuttle Bus Service**

Shuttle service is available to all Columbia University affiliates with a valid University ID, free of charge. The Intercampus and Shubert shuttles are wheelchair accessible. Wheelchair accessible transportation to and from Lamont-Doherty can be arranged through the Transportation Office. For additional information, including route and schedule information, please call the Transportation Office at 212-854-3382 or visit http://transportation.columbia.edu.

**Disability Services**

Disability Services (DS) coordinates accommodations and support services for students with disabilities. Disability Services also seeks to facilitate access to all programs and activities for individuals with disabilities visiting Columbia University. Disability Services’ approach is consistent with the spirit of the Americans with Disabilities Act and places an emphasis on ability and independence. Further, DS strives to cultivate a campus culture that is sensitive and responsive to individuals with disabilities. For additional information, please contact Disability Services at 212-854-2388 or disability@columbia.edu.

**Library Access Services**

Library Access Services provides programs and services to patrons with disabilities. Services for individuals with disabilities include: library orientations, catalog assistance, accessible photocopy machines, retrieval services from the stacks or other locations, lockers, loan renewals via telephone, and the ability to designate a deputy borrower. The University website contains information on an individual basis to assess their individual accommodation needs. For information, patrons should contact the Libraries Disability Services line at 212-854-3536.

**Vertical Transportation**

There are wheelchair lifts and elevators on campus that are exclusively designated for disability access. Prior authorization is required to use these lifts and elevators. For this authorization, students should contact Disability Services; faculty and staff should contact Human Resources Disability Services. Visitors should alert a Public Safety Officer upon arrival on campus.
