**Office for Responsible Conduct of Research**  
**Columbia University**

Students and Trainees greatly benefit from the support and guidance of an effective and dedicated mentor. What are the characteristics and realistic expectations of a successful mentor-trainee relationship? Through careful examination of the issues arising in the toxic, unsuccessful mentor-trainee relationship, and, by clearly defining the ethical and educational responsibilities of mentors and trainees, this presentation will provide valuable information to those who are interested in becoming, or are currently, mentors.
