

Presentation Requirements

EHS 6300

1. Each presentation will be a maximum of 10 minutes. Any deviation from the 10 minute time limit will result in an automatic 1 point off
2. Each group is allowed a maximum of 3 people.
3. Each presentation can contain a maximum of 10 audiovisual aides, i.e. 10 power point slides, 10 overheads, etc.
4. Do not include any special effects or extraneous information/pictures on your slides
5. Include an additional slide (not added into the 10 slide limit) that describes which part of the presentation each student prepared and the % effort.

Grading

Presentation grading will be based on 4 criteria:

1. Content
2. Relevance of the topic to public health
3. Use of visual aides
4. Overall impression

Each category is worth a maximum of 10 points. Your grade will be the sum of your scores from each section out of 40 possible points. Score sheets will be given to your group immediately after the presentation.
