How would you rate the Teaching Assistant in terms of command of the material for the course?

How would you rate the Teaching Assistant's overall effectiveness as a teacher?

What did you like most about the Teaching Assistant?

- The TA was very clear and explained the concepts and the problems very well. The discussion sections were very useful and I would not have been able to understand the material without them
- no comments
- no comments
- Excellent at explaining intuitive aspects of the problems. He was also very responsive to our questions and sometimes even explained material concepts more clearly than the way we covered it in class.
- no comments
- His basso profundo and the handy tricks for understanding he was able to effectively impart
- Thorough and patient
- no comments
- Bernd was always ready to help us and was very good at explaining things when the lectures were confusing.
- Very helpful great command of the material.

Thanks.
No doubt the best TA I have ever experienced
