

Sophie's Planet #3: Chapter 4 (Denison, Iowa: It's a Wonderful Life)

22 April 2020

James Hansen

Denison, Iowa, USA. It's a Wonderful Life. Young people in the 1950s had rising expectations and nearly equal opportunity. After a long journey, in the final chapter we will return to Denison, at once placid and in turmoil. Denison is America, if not the world.

Sorry, [this chapter](#) is a bit verbose; I may try to abbreviate. This is for fact checking. This is the last chapter in rural western Iowa, except for the final chapter.
