ELEN 4810: Additional Study Problems

In preparing for the final exam, you may find it useful to take a look at the following problems from the text (Oppenheim and Schafer, Third Edition): 10.10, 10.22, 3.4, 3.18, 3.37, 3.38, 3.48, 5.2, 5.17, 5.19, 5.20, 5.55, 7.8, 7.10, 7.18, 7.34, 7.46

There is no need to write these problems up formally or turn them in – they are just for you to take a look. Please also take a look at the past final exams (available from the course webpage). These may be more suggestive of the structure and content of this year’s final.
