Literature with Emotion

# Emotible

Literature with Emotion & Community

# *Emotible turns audiobooks into a social activity, and books into communities.*

- Share your feelings with friends and family and laugh, cry, and cheer “together”
- Tune into the emotions of all the other people listening to the same book
- Keep an emotion diary of books you’ve finished

**emotible.**

Listeners

Authors  
Publishers

# Benefits to Science and Art

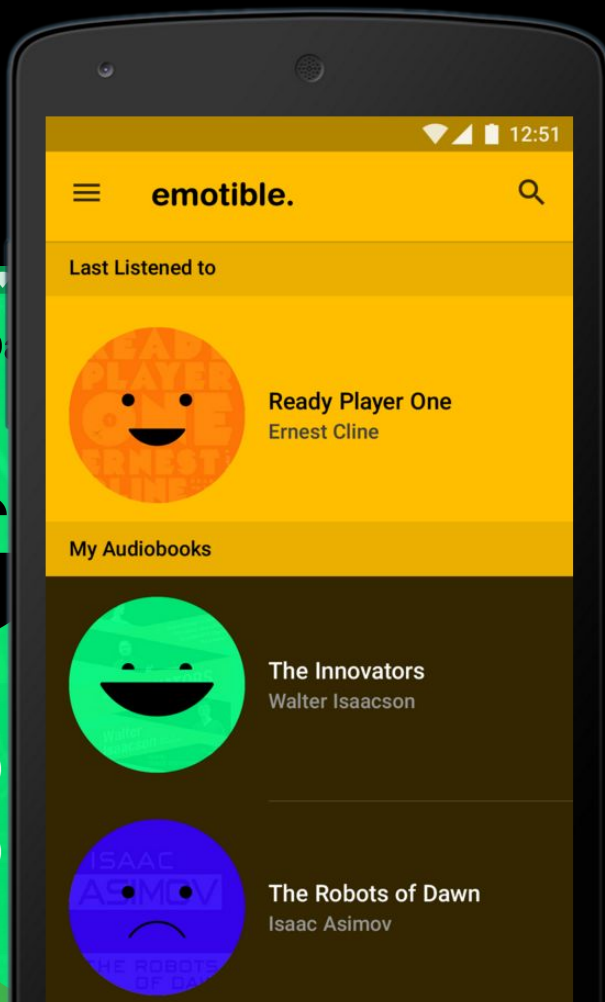

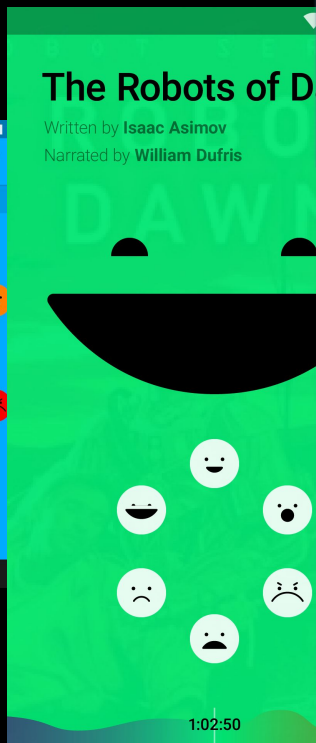

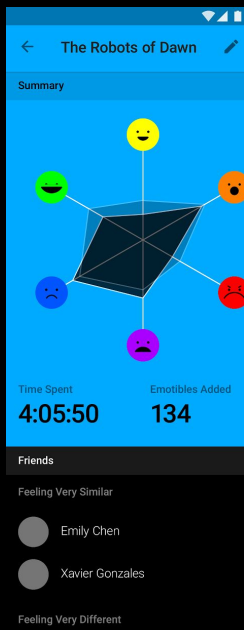

- Contribute rich training data to NLP research and recommendation systems
- Benefits writers, publishers, and other media creators who can use our data to learn what their audience likes
