How to Identify Somatodendritic Domains and AIS?
Na$_v$1.2 Channels Are Localized at the Axonal Initial Segment

Carrido et al., Science 300 (2003), 2091-2094
Na\textsubscript{v}1.2 II-III Loop Targets CD4 to AIS

Carrido et al., Science 300 (2003), 2091-2094
Nav_1.2 II-III Loop Targets GFP to AIS

Carrido et al., Science 300 (2003), 2091-2094
Nav1.2 II-III Loop Targets Kv2.1 to AIS

Carrido et al., Science 300 (2003), 2091-2094
Kv1.2 But Not Kv4.2 Channels Are Localized at Axons

Gu et al., Science 301 (2003), 646-649
