§301. Construction and maintenance of levees and drainage; care and inspection of levees; measure of compensation; right of entry; bicycle paths and walkways

B. The care and inspection of levees shall devolve on resident commissioners, assisted by such inspectors and watchmen as may be appointed pursuant to regulations, which the boards are hereby authorized to adopt. Each resident commissioner and any inspector or watchman who may be appointed shall attend once during his term of office an educational training program conducted by the office of public works or its successor Department of Transportation and Development.

§304. Appointment of members; residency requirements; filling of vacancies

A. Any person appointed a levee commissioner or levee and drainage
commissioner must have resided in this state the preceding two years, resided in the
levee district the preceding year, be a qualified voter of one of the parishes included
in the district, and reside in the district while serving as a member of the board;
except as provided in R.S. 38:304.1.

B.(1) Notwithstanding any law to the contrary, every vacancy now or
hereafter created whether by reason of death, resignation, expiration of term, or any
other cause occurring in any levee district or levee and drainage district shall be
filled by the governor from panels of names submitted as follows: each member of
the House of Representatives representing a parish or part of a parish lying within
a levee district or levee and drainage district shall submit one name for each vacancy
to be filled from the parish, which he represents in the legislature within said levee
district or levee and drainage district, and each member of the Senate shall submit
one name for each vacancy to be filled from the parish or parishes, which he
represents in the legislature within said levee district or levee and drainage district,
except as provided in R.S. 38:291(P); and 291(T); 304.2 and 304.3.

(2) In making appointments the governor shall not appoint any person to the
board of commissioners to represent a specific parish who was not recommended by
one or more of the legislators who represent that specific parish in the legislature
except as provided in R.S. 38:291(P); and 291(T); 304.2 and 304.3. All members of
the boards of commissioners of levee districts or levee and drainage districts shall
be appointed by the governor to serve at the pleasure of the governor making the
appointment.

§305. Employment of attorney

Except as provided in R.S. 38:330.5, each levee board and levee and
drainage board for a levee district or levee and drainage district may employ one or
more attorneys to represent it and to offer advice and assistance of a legal nature and
one or more engineers. The salary of each attorney shall be determined by the board.

§313. Cessation of activities

C. The provisions of this Section shall not apply to districts created with
multiple objectives listed as conservation, levee, and drainage districts. The
provisions of this Section shall not apply to the West Jefferson Levee District, the
Lafourche Levee Basin District, the Pontchartrain Levee Basin District, Red River,
Atchafalaya, and Bayou Beouf Levee District, Orleans Levee District, Amite River
Basin Drainage and Water Conservation District, Grand Isle Independent Levee
District, and the Atchafalaya Levee District, the St. Tammany Levee District, the
Tangipahoa Levee District, the Southeast Louisiana Flood Protection Authority
-East, and the Southeast Louisiana Flood Protection Authority-West Bank.

PART 3-A. SOUTHEAST LOUISIANA
FLOOD PROTECTION AUTHORITIES

§330.1. Southeast Louisiana Flood Protection Authority-East and Southeast
Louisiana Flood Protection Authority-West Bank; territorial
jurisdiction; board of commissioners; appointments; terms;
compensation; vacancy; officers; meetings; domicile

A.(1) The Southeast Louisiana Flood Protection Authority-East and
Southeast Louisiana Flood Protection Authority-West Bank, referred to herein
as "flood protection authority" or "authority," are established as levee districts
pursuant to Article VI, Sections 38 and 38.1 of the Constitution of Louisiana.

(2) The authority shall be subject to Part II of Chapter 2 of Title 49 of
the Louisiana Revised Statutes of 1950.

(3) It shall be the position of the authority that the Mississippi River
Gulf Outlet navigability is no longer necessary and the value associated with it
remaining open is far outweighed by the danger it poses to the citizens of St.
Bernard Parish, the Lower Ninth Ward of Orleans Parish, New Orleans East
and surrounding areas.

B. On and after January 1, 2007, each flood protection authority,
through its board of commissioners as provided for in this Section, shall
exercise all authority over and have management, oversight, and control of the
following territories as provided by law for the boards of commissioners of such
levee districts to which the authority is a successor and to the extent provided
for in this Part:

(1)(a) The following levee districts and parts of levee districts and
parishes shall be included within the Southeast Louisiana Flood Protection
Authority-East:

(i) East Jefferson Levee District,

(ii) Lake Borgne Basin Levee District,

(iii) That portion of the Orleans Levee District on the east side of the
Mississippi River,

(iv) St. Tammany Levee District,

(v) Tangipahoa Levee District,

(vi) That portion of St. Charles Parish lying east of the Mississippi River,

(vii) That portion of St. John the Baptist lying east of the Mississippi
River,

(b) These lands and all property thereon situated, not exempt from
taxation, shall be subject to the provisions of this Chapter.

(2)(a) The following levee districts and parts of levee districts and
parishes shall be included within the Southeast Louisiana Flood Protection
Authority-West Bank:

(i) West Jefferson Levee District,

(ii) That portion of the Orleans Levee District on the west side of the
Mississippi River,

(b) These lands and all property thereon situated, not exempt from
taxation, shall be subject to the provisions of this Chapter.
C.(1) There is hereby created a board of commissioners of each flood protection authority.

(a) The board of commissioners of the Southeast Louisiana Flood Protection Authority-East shall be composed of eleven members, of whom there shall be at least, and not more than, one member from each parish within the territorial jurisdiction of the authority. The members shall be appointed by the governor from nominations submitted by the nominating committee as follows:

(i) Five members who shall either be an engineer or a professional in a related field such as geotechnical, hydrological, or environmental science. Of the five members, one member shall be a civil engineer, and one member shall be a geologist or a hydrologist.

(ii) Three members who shall be a professional in a discipline other than that occurring in (i) with at least ten years of professional experience in that discipline. One of these members shall be a resident of a parish as provided for in (B)(1)(a)(vi) or (vii) of this Section.

(iii) Three members who shall be at-large. One of these members shall be a resident of a parish as provided for in (B)(1)(a)(vi) and (vii) of this Section.

(b) The board of commissioners of the Southeast Louisiana Flood Protection Authority-West Bank shall be composed of seven members of whom there shall be at least, and not more than, two members from each parish within the territorial jurisdiction of the authority. The members shall be appointed by the governor from nominations submitted by the nominating committee as follows:

(i) Three members who shall be either an engineer or a professional in a related field such as geotechnical, hydrological, or environmental science. Of the three members, one member shall be a civil engineer and one shall be a geologist or a hydrologist.

(ii) Two members who shall be a professional in a discipline other than that occurring in (i) with at least ten years of professional experience in that discipline. One of these members shall be a person residing in Orleans Parish.
on the west side of the Mississippi River.

(iii) Two members who shall be at-large. One of these members shall be

a person residing in Orleans Parish on the west side of the Mississippi River.

(2)(a) The nominating committee for each board shall be composed as

follows:

(i) A member designated by the Public Affairs Research Council of
    Louisiana.

(ii) A member designated by the Council for A Better Louisiana.

(iii) A representative of the Louisiana Geological Survey at Louisiana
    State University.

(iv) A member of the Association of State Floodplain Managers
     designated by the association.

(v) A member of the National Academy of Engineering designated by the
    academy.

(vi) A member of the National Society of Black Engineers designated by
     the society.

(vii) A member of the American Institute of Hydrology designated by
     the institute.

(viii) The dean of the College of Engineering at the University of New
      Orleans, or his designee.

(ix) The dean of the School of Science and Engineering at Tulane
     University, or his designee.

(x) The dean of the College of Engineering at Southern University and
    Agricultural and Mechanical College, or his designee.

(xi) The dean of the College of Engineering at Louisiana State University,
     or his designee.

(xii) A member of the National Society of Professional Engineers
     designated by the society.

(xiii) A member of the American Society of Civil Engineers designated
       by the society.
(b) Notwithstanding the provisions of Subparagraph (a) of this Paragraph for the purpose of nominating persons to serve on the Southeast Louisiana Flood Protection Authority-West Bank, the committee shall also include, a member of the Harvey Canal Industrial Association and the president of Our Lady of Holy Cross College, or his designee.

(c) The secretary of state shall be the custodian of the records of the nominating committee. The chairman of the committee, or in his absence, the secretary of state, shall call the meeting of the nominating committee. The secretary of state or his designee shall serve as secretary for the nominating committee.

(3)(a) Within ten days after the effective date of this Section, the governor shall advise the secretary of state of the vacancies on a board. Within ten days after the occurrence of a vacancy on a board, the authority shall advise the secretary of state of the vacancy. Within fourteen days after being advised of a vacancy on a board, the secretary of state shall publish notice of the vacancy in the official journal of the state and of each parish within the territorial jurisdiction of the authority.

(b) No sooner than thirty days after the latest date of publication in any of the journals set forth in (a) of this Paragraph nor later than sixty days after that date, the nominating committee shall meet to determine the nominations to send to the governor to fill each vacancy. The committee shall consider each name submitted to the committee from whatever source and the committee members may propose names of persons to be considered. After review, the committee shall select the nominees for each vacancy who meet the requirements of this Section. The committee shall submit one nominee for a vacancy in a position provided for in R.S. 38:330.1(C)(1)(a)(i) or (b)(i) and shall submit two nominees for each vacancy in a position provided for in R.S. 38:330.1(C)(1)(a)(ii) or (iii) or (b)(ii) or (iii). A majority vote of the total membership of the nominating committee shall be required to nominate persons to positions on the board. The committee shall submit its nominations for each
vacancy to the governor for consideration no later than ninety days after the
occurrence of the vacancy. The governor shall appoint one of the nominees
submitted by the committee.

(c) If the nominating committee fails to submit a nominee within ninety
days after the occurrence of a vacancy, the governor shall appoint a person
meeting the requirements of this Section.

(4) Each appointment made to the board shall be subject to
confirmation by the Senate.

D.(1) The members of each board initially appointed shall at their first
meeting determine by lot their terms of office, which terms shall commence
immediately upon their appointment and shall expire, respectively, as follows:

(a) For the board of the Southeast Louisiana Flood Protection
Authority-East: two members in one year, three members in two years, three
members in three years, and three members in four years, from the first day of
July immediately succeeding such appointment.

(b) For the board of the Southeast Louisiana Flood Protection
Authority-West Bank: one member in one year, two members in two years, two
members in three years, and two members in four years, from the first day of
July immediately succeeding such appointment.

(2) All commissioners thereafter appointed, except a commissioner
appointed to fill an unexpired term, shall be appointed as provided in
Subsection C of this Section for staggered terms of four years. No member shall
serve more than two consecutive four-year terms.

E. Immediately after the members of the board of commissioners have
been appointed, or as soon as thereafter is practicable, they shall meet and
organize by electing from their number a president, vice president, and
secretary who shall perform the duties normally required of such officers. In
case of death or resignation of the president, the vice president shall call the
board together to fill the vacancy. In case of absence, inability, or failure to act
of the president, the vice president shall perform all the duties of the president.
F.(1) A majority of the commissioners of the board shall constitute a quorum to do business. They shall designate the time and select the place for holding their regular sessions, which shall be convened each month. Special meetings may be convened at any time upon the call of the president. Regular monthly meetings of the board shall be convened on a rotating basis at a place to be determined by the board in a levee district under the jurisdiction of the authority.

(2)(a) In recognition that the primary purpose of the authority is regional coordination of flood protection and in order to promote such coordination over parochial concerns, approval of a proposed project shall require the favorable vote of at least two-thirds of the total voting membership of the board, regardless of whether the project is limited to one or more levee districts within the territorial jurisdiction of the authority.

(b) As used in this Paragraph, "project" means a program or engineering activity, either new or continuing that will be planned and implemented with the primary goal being the reduction of existing flood damages. "Program" means the flood control system which may include, but not be limited to, floodproofing, waterproofing, ring dikes, relocation assistance, information programs, formulation of codes, and engineering studies. "Engineering activities" means functions which may include, but not be limited to, dams, reservoirs, levees, dikes, floodwalls, diversions, channel alterations such as snagging and channel straightening, on site detention, spillways, and land treatment.

(3) Except as provided in Paragraph (2) of this Subsection, a favorable vote of a majority of the total voting membership of the board shall be required to take action.

(4) The members of the board of the Southeast Louisiana Flood Protection Authority-East appointed as residents of St. Charles or St. John the Baptist parishes from the east side of the Mississippi River shall be nonvoting except for any project which includes the parish or a portion of the parish.
When these members are eligible to vote, they shall be included in the total voting membership for such purposes.

(5) The members of the board of the Southeast Louisiana Flood Protection Authority-West Bank appointed as residents of Orleans Parish from the west side of the Mississippi River shall be nonvoting except for any project which includes Orleans Parish or a portion of the parish. When these members are eligible to vote, they shall be included in the total voting membership for such purposes.

G. In case of neglect of duty by any board member or of his failure, without good cause, to attend three successive regular meetings, on request of the board, the governor shall remove the commissioner.

H. A vacancy created by reason of death, resignation, expiration of term, removal, or any other cause shall be filled in the same manner as the original appointment.

I.(1) The official domicile of an authority shall be determined by the board. An authority shall maintain an office at its domicile for the transaction of its business.

(2) A flood protection authority may also maintain branch offices within the territorial jurisdiction of the authority.

J. No member of a board, or any of the immediate family of the member, shall own or have any interest or part in any business, company, or entity conducting business of any kind with the authority or levee district within the territorial jurisdiction of the authority or any of the facilities controlled by the authority or any such district. "Immediate family" as used in this Subsection means his children, the spouses of his children, his brothers and their spouses, his sisters and their spouses, his parents, his spouse, the parents of his spouse, his spouse's brothers and their spouses, his spouse's sisters and their spouses, and his spouse's children.

K.(1) No former board member may qualify as a candidate for any elected office within twelve months of the termination of his term on the board.
(2) No elected official or former elected official may serve as a member of the board within twenty-four months of the termination of his term.

(3) No public employee or former public employee shall serve as a member of the board within twelve months of the termination of his employment other than as a member of the board.

(4) No person shall be eligible for selection who has been registered as a lobbyist before the legislature within two calendar years of the date of appointment. Should any member serving on the board thereafter register as a lobbyist, he shall immediately resign his position on the board.

(5) No member of a board and no officer or employee of a board shall participate or engage in an effort to support or oppose the election of a candidate for political office or to support a particular party or issue in an election; be a member of any national, state, or local committee of any political party or faction; make or solicit contributions for any political party, faction, candidate, or issue; or take active part in the management of the affairs of a political party, faction, candidate, or any political campaign, except to exercise his right as a citizen to express his opinion privately and to cast his vote as he desires.

(6) Notwithstanding any provision of law to the contrary, no member of a board shall serve at the same time on any other board or commission, the membership of which is appointed in whole or in part by an elected official or by a public body the majority of the membership of which consists of elected officials. "Elected official" as used in this provision means any person holding an office in a governmental entity which is filled by the vote of the appropriate electorate and includes any person appointed to fill a vacancy in such offices.

(7) No person shall be eligible for selection who is a party to any contract with an authority established by this Part or levee district within the territorial jurisdiction of an authority.

L. In lieu of the compensation provided in R.S. 38:308, the members of the board shall receive a per diem equal to the rate allowable for per diem
deduction under Section 162(h)(1)(B)(ii) of Title 26 of the United States Code for its official domicile during their attendance on that body. In addition to the per diem, each member shall be paid a mileage allowance for going to and from meetings and for other travel authorized by the board equal to the rate established as the standard mileage rate for business travel for purposes of Section 162(a) of Title 26 of the United States Code.

§330.2. Board of commissioners, powers and duties

A.(1) A flood protection authority shall be governed by a board of commissioners.

(a) The board of commissioners of the Southeast Louisiana Flood Protection Authority-East shall be the successor to the boards of commissioners of the East Jefferson Levee District, Lake Borgne Basin Levee District, and, for territory in Orleans Parish on the east side of the Mississippi River, the Orleans Levee District. The board shall also be the governing authority of the St. Tammany Levee District, and the Tangipahoa Levee District.

(b) The board of commissioners of the Southeast Louisiana Flood Protection Authority-West Bank shall be the successor to the board of commissioners of the West Jefferson Levee District and, for territory in Orleans Parish on the west side of the Mississippi River, the Orleans Levee District.

(2)(a) Each board may, in addition to any other powers and duties provided by law for the boards of commissioners of levee districts, establish on its own behalf or for the areas or the levee districts under its authority adequate drainage, flood control, and water resources development, including but not limited to the planning, maintenance, operation, and construction of reservoirs, diversion canals, gravity and pump drainage systems, erosion control measures, marsh management, coastal restoration, and other flood control works as such activities, facilities, and improvements relate to tidewater flooding, hurricane protection, and saltwater intrusion. Neither the authority nor any levee district within the territorial jurisdiction of the authority shall own, operate, or control any facility or improvement not directly related to such purposes, except as
provided in R.S. 38:330.12.

(b) Nothing in this Paragraph shall transfer authority to operate flood control pump operations from any public entity authorized by law to conduct such activities.

B. Each board may enter into contracts and agreements of any nature on behalf of the authority or on behalf of any levee districts within the territorial jurisdiction of the authority for the purposes of this Chapter with any person or persons, corporation, association, or other entity, including public corporations, port authorities, the state and agencies thereof, levee districts, parishes, other political subdivisions, the United States government and agencies thereof, or any combination thereof, or with instrumentalities of any kind to carry out the purposes of and the powers granted in this Chapter.

C. Each board may enter into contracts or other agreements on behalf of the authority or on behalf of any levee districts within the territorial jurisdiction of the authority with any person or entity concerning the providing of lands, servitudes, rights-of-way, and relocations, and may engage the levee districts under its authority jointly with any person or entity in the exercise of any power to include the construction, operation, and maintenance of any facilities and improvements for the purpose of the projects under this Chapter.

D. Each board on behalf of the authority or on behalf of any levee district within the territorial jurisdiction of the authority may construct and maintain drainage works of all types as such works relate to tidewater flooding, hurricane protection, and saltwater intrusion, either in cooperation with one or more parishes, municipalities, drainage districts, or other special districts within its territorial jurisdiction, or upon its own undertaking.

E. Each board may buy and sell property of the authority or of any levee district within its territorial jurisdiction, make and execute all contracts on behalf of the authority or on behalf of any such levee district, and perform any and all things necessary to carry out the objects of this Chapter, subject to the limitations and duties provided in this Section.
F. Subject to any local ordinance for the construction, erection, and maintenance of back and side levees to protect any area or portion of a levee district within the territorial jurisdiction of the authority from tidal overflow, a board shall work in conjunction with the appropriate parish governing authority to manage the construction and maintenance of the levees, pursuant to R.S. 38:143.

G. Each board shall adopt bylaws for the management and regulation of its affairs, for the governance of the board and its officers and employees, and for the operation and governance of the flood protection authority in accordance with the Administrative Procedure Act and subject to legislative rule oversight by the Senate and House committees on transportation, highways, and public works. It shall devise and adopt rules and regulations for the carrying into effect and perfecting of a comprehensive levee system, having for its object the protection of the entire territory of the authority from overflow. Such bylaws may include the establishment of any standing committees of the board as may be necessary to carry out the functions of the board.

H. The authority and each levee district within the territorial jurisdiction of the authority shall comply with all applicable federal and state law and regulations, particularly regarding federal rehabilitation assistance for flood control works damaged by flood or coastal storm.

I.(1) For each levee district within the territorial jurisdiction of the authority, care and inspection of levees shall devolve on commissioners and assisted by such inspectors and watchmen as may be appointed pursuant to regulations, which the board is hereby authorized to adopt. Each commissioner and any inspector or watchman who may be appointed shall attend once during his term of office an educational training program conducted by the Department of Transportation and Development.

(2) Each commissioner and appointed inspector or watchman, upon presenting appropriate credentials, may enter any private premises within the
§330.3. Levee district and board reorganization; transfer of authority; obligations; taxes; lands

A.(1)(a) Any legal proceeding to which the East Jefferson Levee District, Lake Borgne Basin Levee District, Orleans Levee District, or West Jefferson Levee District is a party and which is filed, initiated, or pending before any court on January 1, 2007, and all documents involved in or affected by said legal proceeding, shall retain its effectiveness and shall be continued in the name of the district. Other than the district or districts originally named as party to the proceedings, neither an authority or district within the territorial jurisdiction of the authority shall have any liability for actions pending or claims arising prior to the effective date of this Section.

(b) Neither an authority nor any district within the territorial jurisdiction of the authority shall have any liability for actions or claims other than the district against which the actions or claims arise.

(c) No provision of law providing the Southeast Louisiana Flood Protection Authority-East or Southeast Louisiana Flood Protection Authority-West Bank with any authority over and management, oversight, and control of the areas and levee districts provided for in R.S. 38:330.2(A) shall be construed or interpreted to make the taxes levied by, or other revenue of, a levee district within the territorial jurisdiction of the authority payable for the liability of another levee district, or for any liability of the authority when acting on behalf of another levee district.

(2) All obligations and unfinished business of the East Jefferson Levee District, Lake Borgne Basin Levee District, Orleans Levee District, and West Jefferson Levee District shall be managed on behalf of the districts by the territorial jurisdiction of the authority to care for and inspect levees. If the owner of the premises or his agent refuses to admit the commissioner, inspector, or watchman, the authority may obtain from any state court of competent jurisdiction and venue an appropriate order to submit the premises to entry for such purpose.
appropriate authority.

(3) All outstanding indebtedness of the East Jefferson Levee District, Lake Borgne Basin Levee District, Orleans Levee District, and West Jefferson Levee District shall remain with the district and shall not be a liability of any authority.

B.(1) The proceeds of all taxes collected on all property taxed in the parishes of Jefferson, Orleans, and St. Bernard for the purpose of constructing and maintaining levees, levee drainage, flood protection, hurricane flood protection and for all other purposes incidental thereto, by or on behalf of the East Jefferson Levee District, Lake Borgne Basin Levee District, Orleans Levee District, or West Jefferson Levee District and, except as provided in R.S. 38:330.12, any other revenue from operations of such districts shall be administered by the board of commissioners of the applicable flood protection authority; however, the taxes and other revenues of each such levee district shall only be used and expended for the purposes of such district.

(2) The proceeds from a tax levied, or revenue received, by an authority or a levee district may only be used or expended for a purpose of the authority or levee district where the tax is levied and revenue is collected.

(3) The proceeds of such taxes collected shall be deposited into a separate account established in the name of the authority or district in which the taxes are levied and collected. There shall be no commingling of funds in such accounts.

C.(1) Any books, records, documents, funds, movable property, lands or immovable property owned by the East Jefferson Levee District, Lake Borgne Basin Levee District, Orleans Levee District, and West Jefferson Levee District shall be retained as property of the respective levee district in which such property is situated, but shall be managed by the applicable flood protection authority, except as provided in R.S. 38:330.12.

(2) Except as provided in R.S. 38:330.12, any property acquired or improvements constructed with funds of a levee district within the territorial
jurisdiction of the authority and all income derived from property or
improvements owned by the levee district shall belong to the levee district, but
shall be managed by the authority.

§330.4. Regional directors

A. Each board may employ a regional director who shall serve at the
pleasure of the board. The board shall fix the qualifications, duties, and salary
of the regional director.

B. In addition to the qualifications fixed by the board pursuant to
Subsection A of this Section, the regional director shall:

(1) No later than ninety days after and for the remainder of his
appointment, reside within the territorial jurisdiction of the authority.

(2) Have a bachelor's degree, at a minimum, in the area of business,
engineering, geology, hydrology, natural sciences, environmental sciences,
renewable resources, or any similar academic field.

(3) Have a minimum of ten years senior executive experience in business,
engineering or hydrology, or in the performance of public works functions,
related to flood and drainage control, flood plain management, water resources,
soil conservation, land surveying and mapping, disaster relief, or any related
function.

C. In addition to the duties prescribed by the board, the regional
director shall keep records of all proceedings, preserve all books, maps,
documents, papers, records, and reports entrusted to its care, and keep them
open for public inspection.

§330.5. Employees

A. An authority may employ such employees as it deems necessary for
its proper functioning. All employees of the authority and each levee district
within the territorial jurisdiction of the authority shall be considered civil
service employees for the purpose of Article X of the Constitution of Louisiana.
Each employee of a levee district within the territorial jurisdiction of the
authority who is in the unclassified civil service on December 31, 2006 shall
remain in the unclassified civil service as long as the employee remains in the same position.

B. Any person employed by the East Jefferson Levee District, the Lake Borgne Basin Levee District, the Orleans Levee District, or the West Jefferson Levee District on January 1, 2007, may, insofar as practicable, continue as an employee of the levee district at the pleasure of the flood protection authority created in this Part and may, insofar as practicable, retain all rights, privileges, and benefits.

§330.6. Counsel to authority

The state attorney general and his assistants shall be and are hereby designated as counsel for each flood protection authority in the execution of the purposes of this Chapter and are hereby charged with the responsibility of representing each authority in any and all matters when called upon to do so.

§330.7. Police officers

Each authority shall not directly employ police security personnel. However, the authority may enter into cooperative endeavor agreements with appropriate local law enforcement agencies or local governmental subdivisions to provide necessary police security services for levees, or the authority may assume the rights and responsibilities of any existing cooperative endeavor agreements for police security services.

§330.8. Funding; appropriations

A. An authority or levee district within the territorial jurisdiction of the authority, for the purpose of constructing and maintaining levees, levee drainage, flood protection, hurricane flood protection, or for any other purpose incidental thereto, or for any other purpose related to its authorized powers and functions as specified by law, may levy or increase a tax. However, the necessity, purpose, and the rate of the levy or increase shall be submitted to the electors of the authority or district within which the levy or increase will apply, and the levy or tax increase shall take effect only if approved by (1) a majority of the electors voting thereon within that authority, and (2) each of the parishes
in that authority, by a majority of the electors voting thereon in each parish, in
an election held for that purpose. Proceeds from taxes levied and collected
pursuant to this Subsection shall only be used as provided in the tax proposition
and only within the authority or district in which the tax is levied.

B. An authority may seek, accept, and expend funds from any source,
including private business, industry, foundations, and other groups as well as
any federal or other governmental funding available for any of the purposes set
forth in Subsection A.

§330.9. Defense and indemnification of commissioners, officers, or employees

A. An authority may defend, indemnify against loss or liability and save
harmless any of its commissioners, officers or employees whenever a claim or
demand is made or threatened, or whenever proceeded against in any
investigation or before any court, board, commission or other public body to
defend or maintain his official position or a position taken in the course of the
execution of his duties or because of any act or omission arising out of the
performance of his official duties if it is determined that the commissioner,
officer or employee acted in good faith and in a manner he reasonably believed
to be in or not opposed to the best interests of the authority. Such
determination shall be made by the board of commissioners by a majority vote
of the board who were not parties to such action, suit, proceeding, investigation
or claim. The provisions of this Subsection shall not apply in each event a
commissioner, officer or employee is adjudged liable for malfeasance in office
or an intentional tort.

B. To the extent that a commissioner, officer or employee of the
authority has been successful on the merits or otherwise in defense of any
action, suit, or proceeding referred to in or in defense of any claim, issue or
matter therein, he shall be indemnified against expenses, including attorneys’
fees, actually and reasonably incurred by him in connection therewith.

C. Expenses, including attorneys’ fees, incurred in defending a civil
action, suit or proceeding may be paid by an authority in advance of the final
disposition of such action, suit, or proceeding as authorized in the manner
provided in this Section upon receipt of an undertaking by or on behalf of the
commissioner, officer or employee, to repay such amount unless it shall
ultimately be determined that he is entitled to be indemnified by the authority
as authorized in this Section.

D. The indemnification provided by this Section shall not be deemed
exclusive of any other rights to which those indemnified may be entitled, both
as to action in his official capacity and as to action in another capacity while
holding such office, and shall continue as to a person who has ceased to be a
commissioner, officer or employee, and shall inure to the benefit of the heirs,
executors and administrators of such a person.

E. An authority may purchase and maintain insurance on behalf of any
person who is or was a commissioner, officer or employee of the authority
against any liability asserted against him and incurred by him in any such
capacity or arising out of his status as such, whether or not the authority would
have the power to indemnify him against such liability under the provisions of
this Section.

§330.10. Statutory reference

A. Subject to the limitations of liability as set forth in R.S. 38:330.3,
whenever a reference to the "board of commissioners," "levee board" or
"board of levee commissioners" of the East Jefferson Levee District, Lake
Borgne Basin Levee District, Orleans Levee District, or West Jefferson Levee
District appears in any statute, or in a contract, or a legal pleading, or in any
other document, that reference shall be deemed to be a reference to the board
of commissioners of the Southeast Louisiana Flood Protection Authority -East
or the board of commissioners of the Southeast Louisiana Flood Protection
Authority-West Bank, as applicable.

B. Subject to the limitations of liability as set forth in R.S. 38:330.3,
whenever a reference to the "board of commissioners," "levee board" or
"board of levee commissioners" or "levee district" appears in any statute, that
reference shall be deemed to include the board of commissioners of the
Southeast Louisiana Flood Protection Authority-East and Southeast Louisiana
Flood Protection Authority-West Bank.

§330.11. Exception to jurisdiction of authorities

Notwithstanding any provision of law to the contrary, this Part shall not
apply to any levee district or board that has been reorganized, merged into, or
consolidated with a parish pursuant to Article VI, Sections 16 and 38 of the
Constitution of Louisiana. Such levee district shall continue to have any rights,
revenues, resources, jurisdiction, powers, authority, functions, and duties,
including the levy and collection of any local assessment or forced contribution,
authorized by law at the time of the reorganization, merger, and consolidation
with a parish.

§330.12. Management of non-flood protection functions and activities

A. On and after the effective date of this Section, any facility or
improvement within a levee district within the territorial jurisdiction of an
authority, which facility or improvement is not directly related to providing
adequate drainage, flood control, or water resources development pertaining to
tidewater flooding, hurricane protection, or saltwater intrusion, that is owned
or operated by a board of commissioners of the levee district, including all land,
rights-of-way, servitudes, and improvements situated thereon, or connected
therewith, for such purpose, shall be managed and controlled by the state,
through the division of administration, without the necessity of any other act or
instrument. For the purpose of this Section only, the division of administration
shall be the successor to the board of commissioners of such levee district. The
levee district shall continue the routine maintenance of all properties or
facilities within its jurisdiction until the division of administration receives
responsibility for such maintenance.

B.(1) The division of administration may enter into contracts,
agreements, or cooperative endeavors of any nature, on behalf of the state with
a state agency, political subdivision, or other legal entity or person, or any
combination thereof, for the operation and maintenance of any facility or improvement, which it manages or controls pursuant to Subsection A of this Section.

(2) The division of administration may sell, lease, or otherwise transfer any such property and perform any and all things necessary to carry out the objects of this Section. If the division of administration determines that the sale, lease or transfer of such property is appropriate, it shall first offer the property to political subdivisions in the parish in which the property is located and state agencies conducting operations in that parish, other than levee districts, political subdivisions, or agencies responsible for flood control. If any such public entity is interested in acquiring the property, the division of administration shall evaluate proposals submitted by those entities. If no such proposal is received, or if such proposals are not determined to be in the best interest of the state, the property may be offered for sale or lease as otherwise provided by law.

C. Except as required by federal law or regulation or state constitution, the expense of operating any facility or improvement referred to in Subsection A of this Section, which produces revenue for the levee district shall be collected by the division of administration and, after deducting an amount for the expense of managing and controlling such facility or improvement, the remaining revenues therefrom shall be disbursed to the authority to the credit of the levee district in which the facility or improvement is located.

D. The division of administration may otherwise provide for the implementation of this Section by the adoption of rules and regulations pursuant to the Administrative Procedure Act.

E. No action taken pursuant to this Section or to any provision of this Part shall do any of the following:

(1) Impair the obligation of outstanding bonded indebtedness or of any other contract of any levee district.

(2) Impair the ability of any levee district to satisfy any legal action or
claim pending against the district on the effective date of this Section.

§330.13. Public contracts; Louisiana Initiative for Small Entrepreneurship

The board of commissioners of the Southeast Louisiana Flood Protection Authority-East and Southeast Louisiana Flood Protection Authority-West Bank shall comply with the provisions of R.S. 39:2001 et seq., when advertising and letting public works contracts and procurement contracts.

Section 2. R.S. 42:808(A)(10) is hereby amended and reenacted to read as follows:

§808. Eligibility in group programs

A. For the purposes of participating in life, health, or other programs sponsored by the Office of Group Benefits, an employee is defined as:

* * *

(10) Notwithstanding any other provision of law to the contrary, any official holding an appointed position with the West Jefferson Levee District for more than eight years prior to January 1, 2007.

* * *

Section 3. R.S. 49:213.1(C), 213.4(A)(2), 213.5(A)(10), and 213.6(A)(2)(b) are hereby amended and reenacted and R.S. 49:213.1(E) and 213.4(A)(7) are hereby enacted to read as follows:

§213.1. Statement of intent

* * *

C. The state must act to develop, implement, and enforce a comprehensive coastal protection plan. The state must act to ensure that the plan integrates hurricane protection and coastal restoration efforts in order to achieve long-term and comprehensive coastal protection. Comprehensive coastal protection must proceed in a manner that recognizes that the proper functioning of each protective element is critical to the overall success of the plan and that without such proper functioning the safety of the state and its citizens and the viability of the entire plan are threatened. Further, comprehensive coastal protection must further proceed in a manner that recognizes the powers and duties of political subdivisions, including flood protection authorities, and levee districts, to fund and manage local activities
that are consistent with the goals of a comprehensive coastal protection plan. The state must act to conserve, restore, create, and enhance wetlands and barrier shorelines or reefs in coastal Louisiana while encouraging use of coastal resources and recognizing that it is in the public interest of the people of Louisiana to establish a responsible balance between development and conservation. Management of renewable coastal resources must proceed in a manner that is consistent with and complementary to the efforts to establish a proper balance between development and conservation.

* * *

E. Notwithstanding any other provision of state law and in accordance with the requirements of the Department of Defense, Emergency Supplemental Appropriations to Address Hurricanes in the Gulf of Mexico, and Pandemic Influenza Act of 2006, the Coastal Protection and Restoration Authority is established, authorized, and empowered to carry out any and all functions necessary to serve as the single entity responsible to act as the local sponsor for construction, operation and maintenance of all of the hurricane, storm damage reduction and flood control projects in areas under its jurisdiction, including the greater New Orleans and southeast Louisiana area.

* * *

§213.4. Powers and duties

A. The authority shall:

* * *

(2) Develop, coordinate, make reports on, and provide oversight for a comprehensive coastal protection master plan and annual coastal protection plans, working in conjunction with state agencies, political subdivisions, including flood protection authorities, levee districts, and federal agencies. The master plan shall include a comprehensive strategy addressing the protection, conservation, and restoration of the coastal area through the construction and management of hurricane protection projects and coastal restoration projects and programs, all consistent with the legislative intent as expressed in R.S. 49:213.1. The annual coastal protection
plan shall be developed as the annual implementation of the comprehensive master
plan and shall be submitted to the legislature for approval as set forth in R.S.
49:213.6. The annual coastal protection plan shall include a description and status
of all projects and programs pertaining to hurricane protection and coastal
restoration, including privately funded wetland enhancement projects or plans, and
addressing those activities requiring a coastal use permit which significantly affect
projects set forth in the plan, all consistent with the legislative intent as expressed in

*     *     *

(7) Enter into any contract with the federal government or any federal
agency or any political subdivision of the state or private individual for the
construction, operation, or maintenance of any coastal restoration, hurricane,
storm damage reduction, or flood control project and to this end, may contract
for the acceptance of any grant of money upon the terms and conditions,
including any requirement of matching the grants in whole or part, which may
be necessary.

*     *     *

§213.5. Coastal Protection and Restoration Authority; members

A. The Coastal Protection and Restoration Authority shall consist of the
following members:

*     *     *

(10) Three Four members selected from among and by the presidents of the
twelve following levee districts in the Louisiana coastal zone grouped in three four
regions as follows: Region 1 - Pontchartrain Levee District, Orleans Levee District
and East Jefferson Levee District. Region 2 - Atchafalaya Levee District, Lafourche

*          *          *

§213.6. Coastal protection annual plans; development; priorities

A. *          *          *

(2) The authority shall develop the plans in accordance with the following procedure:

*          *          *

(b) At least two weeks prior to each public hearing the authority shall contact the parish governing authorities, regional flood protection authorities, levee districts, and the state legislators of the parishes in the coastal zone for the purpose of soliciting their comments and recommendations and notifying them of the public hearing to be held in their area.

*          *          *

Section 4. R.S. 38:291(D)(3), 304.2, and 304.3 are hereby repealed.

Section 5. The terms of the boards of commissioners of the East Jefferson Levee District, the Lake Borgne Basin Levee District, the Orleans Levee District, and the West Jefferson Levee District serving on December 31, 2006 shall terminate on that date.

Section 6. The board of commissioners of the Southeast Louisiana Flood Protection Authority-East and the board of commissioners of the Southeast Louisiana Flood Protection Authority-West Bank shall conduct a study of pump drainage systems operated by entities within the territorial boundaries of the authority to determine the challenges, benefits, and opportunities of developing a plan to fully coordinate the systems and shall submit a written report of its findings and recommendations to the Senate and House committees on transportation, highways and public works by April 1, 2007.
Section 7. R.S. 38:330.1(A)(1), (B), (C), (D), (E), (F), (G), (H), (I), (J), (K), and (L),
330.2(G), 330.4, 330.5, 330.6, 330.8(B), 330.9, and 330.12 as amended and reenacted or
enacted in Section 1 of this Act and Sections 5, 6, 7, and 8 of this Act shall take effect and
become operative if and when the proposed constitutional amendment of Article VI,
Sections 38(A)(1) and 39(A) and the addition of Article VI, Section 38.1 of the Constitution
of Louisiana contained in the Act, which originated as Senate Bill No. 9 of the 2006 First
Extraordinary Session of the Legislature is adopted at the statewide election to be held on
September 30, 2006, and at the same time that the amendment becomes effective.

Section 8. Except as provided in Section 7 of this Act, Sections 1, 2, 3, and 4 of this
Act shall take effect and become operative on January 1, 2007, if and when the proposed
constitutional amendment of Article VI, Sections 38(A)(1) and 39(A) and the addition of
Article VI, Section 38.1 of the Constitution of Louisiana contained in the Act, which
originated as Senate Bill No. 9 of the 2006 First Extraordinary Session of the Legislature is
adopted at the statewide election to be held on September 30, 2006.
